As photographer Travel Photography is my passion because by Traveling around our beautiful globe I meet people from every culture. Travel Photography is also not so easy because you cannot 100% control the people and setup the scene. Travel Photography is my passion and it will be also in the future.

I am a photographer for many years but I only start with participating in the international salons in the year 2006. At this moment I have received more than 2000 acceptances and more than 100 awards all over the world. In 2009 I was awarded with the AFIAP distinction, the EFIAP distinction in 2010, the EFIAP/silver in 2016 and final the highest distinction MFIAP in 2017. I am also a member of PSA and holder of the EPSA title. I received the 4th Galaxy in PID-C and the 5th Star in PID-M, the first Galaxy in Travel, the 3th Star in PJ and 3th Star in Nature.

My job in FIAP started in the year 2005 as Director of the Distinctions Service and in 2010 I was elected for the board of directors FIAP in Hanoi (Vietnam) and in the year 2014 I was elected as Vice-president FIAP in Ankara (Turkey). The highest FIAP Distinction for Services HonEFIAP was given to me in 2010 by Mr. Emile Wanderscheid at the congress in Hanoi.

FIAP is a big family for me, FIAP is in my heart.
