Vladimir Djinic
EFIAP/b

Vladimir Đinić is a master of technical sciences who graduated at Faculty of transport and traffic engineering. For over the last thirty years he has expressed his artistic visions through photography. He owns a EFIAP/ b title.

Motives and sights captured in photographs tell a story about Vladimir's versatile affinities - from nature, landscapes, life itself to architecture and abstract motives that create an alternative reality. His photographs are various in themes, revealing a good sense for composition and richness in details.

Authors's photographs are created with mindfulness and power of expression. Seeing these sights and motives, we are able to feel a mutual artistic experience. This is how we share the plenty of impressions.
